Continue to make a difference at Mission Hospital and in the community and submit your pledge today. All gifts can be paid through convenient payroll deductions beginning in January. Please visit www.mission4health.com/employeegiving to make your gift!

Don’t forget to join the Mission Hospital Foundation group on staffhub and keep up to date on the campaign!

**Some facts about the Employee Giving Campaign**

- **Choice of funds to support:**
  - Areas of greatest need
  - Behavioral Health
  - Emergency/Trauma Services
  - Employee Assistance Fund
  - Nursing Excellence
  - Other

- Since 2011, nearly $500,000 has been raised by the Employee Giving Campaign

- This year’s goals:
  - Raise $90,000
  - 30% employee participation

- For those who donate, weekly raffles and a grand prize raffle
  - Different raffle each week: $50 gift card to Amazon, Target, Ralph’s and Nordstrom!
  - Grand prize raffle at end of the campaign for a premier parking space for one year PLUS a $250 Shell Gas gift card!

- Each department that achieves 90% participation will receive frozen treats for the team!

**In Fiscal Year 2015, due to the generosity of both employee and community donors, we were able to support:**

- **Breast Health Center** – Support for underinsured women in need of a mammogram or other diagnostic imaging
- **Breast Tomosynthesis/ Women’s Wellness Center**
- **Camino Health Center**
- **Employee Wellness Program** – Equipment and class instructor fees
- **Family Resource Center** – Overall support and computers to provide for telemedicine and electronic record implementation
- **Funeral Services** – Providing dignity for families in need
- **Hospice and Palliative Care** – Aromatherapy and massage
- **Mobile C-Arm at Laguna Beach**
- **Neuroscience & Spine Institute**
- **Nursing Education and Scholarships**
- **Nutrition Care Service Equipment** - Three ovens, two refrigerators, ice maker, steamer and hot holding cabinet
- **Ultrasound Equipment at Laguna Beach**

**and more...**

**Philanthropy helps to save and improve lives every day at Mission Hospital.**
